

Raymond Terrace Public School Stage 2 - Year 4

Term 3 Week 4 and 5

	Day 1	Day 2	Day 3	Day 4	Day 5
Morning	<p>Reading</p> <p>Read for at least 20 minutes. You can read a book, magazine or anything you enjoy reading at home.</p> <p>Remember we must always read for meaning. Choose 5 words you are unsure of in the text and look up the meaning in a dictionary.</p> <p>Writing</p> <p>Write a <i>summary</i> on the text you read. A summary, unlike a review <u>does not</u> include your opinion. It recaps or retells the main ideas of the story or article you read.</p> <p>Read your summary to someone at home. What do they think about the book? Does it sound</p>	<p>Reading</p> <p>Read for at least 20 minutes. You can read a book, magazine or anything you enjoy reading at home. Remember we must always read for meaning.</p> <p>Choose 5 words from the text and write down a <i>synonym</i> (another word that means the same) for each word. Use the word in the same sentence. Do the 2 sentences give the same meaning? They should.</p> <p>Writing</p> <p>Look up the dictionary meanings for the following. Use each word in a sentence of your own.</p> <p>flora fauna</p>	<p>Reading</p> <p>Read for at least 20 minutes. You can read a book, magazine or anything you enjoy reading at home. Remember we must always read for meaning.</p> <p>Using the words and synonyms you wrote down yesterday, create ten different sentences.</p> <p>Writing</p> <p>Attached are some sentences that have been incorrectly written. Your task is to rewrite them correctly.</p>	<p>Reading</p> <p>Read for at least 20 minutes. You can read a book, magazine or anything you enjoy reading at home. Middle	<p>Mathematics Number Talk Number busting: our number for today is 37. Draw and write everything you know about 37 (you can use any operation you like).</p> <p>Fractions Use diagrams (drawings) to represent the following common fractions; $\frac{1}{5}, \frac{2}{5}, \frac{3}{5}, \frac{4}{5}, \frac{3}{10}, \frac{7}{10}, \frac{9}{10}$</p>	<p>Mathematics Number Talk What is the number sentence equal to? $105+22 = _ + _$ Write down as many possibilities as you can.</p> <p>Fractions Place the following fractions in ascending (smallest to largest) order, $\frac{3}{10}, \frac{7}{10}, \frac{5}{10}, \frac{4}{10}$ Now write them in descending (largest to smallest) order. Drawing the fractions can help. Explain what you know</p>	<p>Mathematics Number Talk You are given the following numbers. 21, 12, 9, 15, 24, 18 What is the rule? Justify your answer.</p> <p>Taxi A taxi needs to drive from point A to point B in the city. Directions: 1)How many different pathways exists to get the taxi from point A to point B? You can only move directly to the right or down. You cannot move left, up, or</p>	<p>Mathematics Number Talk How would you solve this? $254-166=_$ Write down your reasoning. Is there only one way?</p> <p>Task In shops with lots of ice-cream flavours there are many different flavour combinations, even with only a 2-scoop cone. With 1 ice-cream flavour there is 1 kind of 2-scoop ice cream, but with 2 flavours there are 3 possible combinations (eg vanilla/vanilla, chocolate/chocolate, and</p>	<p>Mathematics Number Talk $25 \times 7 = _$ What is the answer? How did you work it out? Is there only one way? How many can you find?</p> <p>The Birthday Party Janine owns a catering service company. She was hired to cater for the mayor's 50th birthday. 1) For the appetizers, she needs to make 750 mini meat pies. She divided her crew into 3 teams. If the first team made 235, and the second made 275, how many pies should the third team make?</p>

Day 1		Day 2		Day 3		Day 4		Day 5	
		about: $\frac{4}{8}, \frac{5}{10}, \frac{1}{2}, \frac{2}{4}$ and $\frac{50}{100}$.	diagonally. The grid is attached below. Task: What do you notice & wonder? How many paths can you find? Can you draw your paths?	vanilla/chocolate). How many kinds of 2-scoop cones are there with 6 flavours? What about "10" flavours? Create a poster that represents your thinking.	2) They served a total of 179 adults and 141 children; if 156 of the people they served are male, how many are female?				
Break									
Afternoon	Design a healthy menu for a day at home. Consider some healthy snacks you can consume while you are studying from home? Present the menu to your family in a creative way.	Geography Read the blog post http://pateblog.nma.gov.au/2014/07/04/horses-in-the-high-country/ . Identify the key issue and the point of view of the author. Undertake research to collect information on alternative points of view on the issue. Identify persuasive strategies used in communicating opinions on the issue.	Geography/Science Find a map of Australia and draw it on a piece of paper. Add the state and territory boundaries. For each state and territory, add a picture of a natural landmark (not man made) and a built landmark (made by man) in the correct location. Describe why each of these landmarks are significant or important.	Creative Art The Australian flag mirrors the Union Jack- Great Britain's flag, the "stars and crosses" (the Southern Cross), and the Commonwealth Star. If you were a 'first settler' what would your flag look like? Would you include Australian flora and fauna, an invention that had happened, symbols that depict your lifestyle at that time (remember it was very basic)? Create a flag that you think depicts Australia at the time of settlement. Bring it to school when you return to display in the classroom.	PDHPE Create an outside game that includes rules, a way to score and at least one piece of equipment. Play the game with a family member or friend. After playing the game discuss ways that you could change the game.				

More Punctuation & Capitalization

Review punctuation and capitalization by making corrections to each sentence. Include commas, periods, question marks, and quotation marks where needed.

1. Thats not fair my sister cried after i snagged the last cookie. that was mine!
2. Im not supposed to be playing the lead character cried Billy.
3. Youre the best soprano singer we have in the show pleaded Sarah.
4. I knew I was in the wrong store when i passed the ladies skirts i cried oh no!
5. Who thought that was funny asked Peter when he heard about the prank.

Rewrite each sentence with the correct punctuation and capitalization.

1. thats the best pizza ive ever had chimed nate.

2. Everyone was excited except Bob who kept saying im so bored.

3. Maybe next years dance will be even more fun barbara shouted

4. Who's at the door? asked my dad.

5. Im not sure im going to like this said sheila as we lined up for the ride

A
