RE: COVID-19 - Term 4 School

Dear Families

The following link will provide you with ongoing and updated information from the Department of Education about school operations in Term 4.

Below is specific information for our school going into Term 4.

School Holidays
Students commence school holidays today for 2 weeks. Term 4 commences for all students on Monday 12th October.

Physical distancing
Physical distancing of students in schools is not required under the AHPPC guidelines. All teachers, support staff and parents must maintain physical distance from each other (1.5m). Parents should ensure school pick up and drop off arrangements enable them to physically distance from one another and from staff.

Drop Off & Pick Up
- Parents/carers are reminded that students may be dropped off at the front gate on Swan Street or the pedestrian gate on Adelaide Street.

Pick up of students at the end of the school day will be as follows:
- K-2 students and siblings of K-2 students will be brought to the pedestrian gate on Swan Street by class teachers for collection by parents/carers.
- 3-6 students will exit through the pedestrian gates on Adelaide Street.
- Parents/carers are not able to enter the school during these times.

Canteen
Canteen will operate on Wednesday, Thursday and Friday. All orders still need to be placed in the box at the front gate or handed into class teachers.

Upcoming Events
Term 4 guidelines now give us direction for the planning of such things as Presentation Day, Year 6 Graduation/Farewell and Stage Celebrations. Specific information about these will come home in the early weeks of Term 4.
Sun Safety & Hydration
As the UV index at this time of the year is high to extreme, we need to be particularly mindful of sun safety.

From the start of Term 4 all students must play in the shade during all breaks unless they are wearing a school hat.

Students should bring a water bottle to school every day and they will have lots of opportunities to refill during the day. Our school bubblers are still out of use due to COVID restrictions.

Have an enjoyable school holiday break. We look forward to seeing everyone for a great end to the year.

Regards,

Andrew Price
