Tell Them From Me student survey:

Information for parents and consent form for parents and carers

10.10.2022

Dear Parents and Carers

This term, our school is taking part in the *Tell Them From Me* student survey. The survey will provide us with valuable feedback on what our students think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help them improve. The survey is completed online and is run by an independent research company, **The Learning Bar** which specialises in school-based surveys.

Staff in schools will **not** be able to identify individual parents or students from their responses. To ensure confidentiality, participating students will receive a unique username and password. Parents are also invited to participate in the survey also using the unique school code of <http://nsw.tellthemfromme.com/rtpsparent>

The survey typically takes 30 minutes or less to complete . Once the surveys are completed by students, parents and staff the reports are prepared and in most cases are available to schools within three business days.

This survey will assist our school to better understand how to improve student wellbeing and engagement. It will help the school identify what works to improve student outcomes. It will also give us information about the strengths and needs our community see Raymond Terrace Public School having as we move into 2023.

Participating in the survey is entirely voluntary. Please complete the survey by Friday 4th November. Students and staff are completing the surveys also during the first weeks of Term 4.

More information about the survey and the research is available in English at education.nsw.gov.au/ttfm
